MDL No. 2084

Case No. 17-md-2804

Judge Dan Aaron Polster

**THE TRACK THREE PARTIES’ STIPULATION REGARDING TRIAL EXHIBITS**

Plaintiffs Lake and Trumbull Counties and Defendants CVS, Walgreens, and Walmart (collectively, the “Parties”) hereby submit this stipulation regarding the exhibits admitted at the Track Three liability- and abatement-phase trials.

**LIABILITY-PHASE TRIAL EXHIBITS**

During the liability-phase trial, the Court addressed the admission of exhibits on a rolling basis and periodically uploaded exhibits to the public docket on Pacer. Even after some exhibits were provisionally admitted, there were redactions or other issues that needed to be worked out between the Parties before the exhibits were finally admitted. At the conclusion of the presentation of evidence, the Court directed the Parties to submit flash drives with the final versions of the admitted exhibits that were to be submitted to the jury. Doc. 4140 at 7027-28. The Parties submitted flash drives with the exhibits to the Court on November 15, 2021, Doc. 4153 at 7046-48, and those exhibits were provided to the jury. The Court, however, did not upload to the public

docket either in a single docket entry or in consecutive docket entries the exhibits on the flash drives.

Having carefully reviewed the exhibits that were uploaded to the docket and the exhibits that were on the flash drives that were provided to the jury, the Parties hereby stipulate as follows:

1. The exhibits in **Table 1** below are on the docket but were not admitted by the Court and were not on the flash drives that were provided to the jury. These exhibits should be removed from the docket.
